Re-consideration of the above captioned patent application
is respectfully requested.

AMENDMENTS TO THE DRAWINGS

Applicant submits herewith formal drawings as replacement sheets. The drawings were objected to because the drawings are hand drawn. Applicants submit concurrently herewith formal drawings. The formal drawings have distinct labels, and as such, the objections to the drawings because of indistinct labels is moot at this time. No new matter has been added.

REMARKS

Claims remaining in the present patent application are numbered 8-10 and 12-15. Claim 11 has been canceled. No new matter has been added. Applicants have submitted the corrected section of the non-compliant amendment document, Applicants' response of February 28, 2006. Specifically, formal drawings have been submitted.

The rejections and comments of the Examiner set forth in the Office Action dated November 29, 2005 have been carefully considered by the Applicants. Applicants respectfully request the Examiner to consider and allow the remaining claims.

CONCLUSION

In light of the amendments and arguments presented herein, Applicants respectfully request reconsideration of the rejected Claims for allowance thereof.

Based on the arguments presented above, Applicants respectfully assert that Claims 8-10 and 12-15 overcome the rejections of record. Therefore, Applicants respectfully solicit allowance of these Claims.

The Examiner is invited to contact Applicants' undersigned representative if the Examiner believes such action would expedite resolution of the present Application.

Respectfully submitted,
Wagner, Murabito & Hao LLP
